How to Protect Yourself and Those Around You

Wear a mask or face covering when in public.

Clean your hands often with soap and water for at least 20 seconds, or **use an alcohol-based sanitizer that contains at least 60% alcohol.**

Avoid touching your eyes, nose, and mouth with unwashed hands.

Practice social distancing by avoiding close contact with people who are sick and putting distance between yourself and other people.

Stay home if you're sick, except to seek medical care.

Cover coughs and sneezes with a tissue or the inside of your elbow. Throw used tissues in the trash, and immediately wash hands or use a hand sanitizer.

Clean AND disinfect frequently touched surfaces daily.
